[Metalsmith Products](#)

Dear Kathi,

It's hard to believe May is fast approaching and Mother's Day will soon be here. Just like many of you, I am always looking for fresh new projects we can do in addition to my art glass work. I have added Metal-smith to our line of products and classes. There is just something magical about the look of metal and glass. Please continue reading, then come in to the shop and see all the fun stuff we are doing.

Mother's Day Gift Suggestions

Show your Mother just how much she means to you by giving her a gift she'll enjoy over and over again with **Classes in Stained or Fused Glass**. We have **Gift Certificates** that will allow her to choose exactly what class she wants. We know she is very busy so on Friday, May 4 and Saturday May 5, we are offering **Walk-In Fused Glass Pendants**, details are below. We also have a very nice line of **Ready-Made Glass Gifts**, we will even gift wrap it for you.

Walk - In Fused Glass Pendants

In honor of Mother's Day we are offering a special fusing weekend, Friday **May 4** and Saturday **May 5, 10 am to 2 pm**. Come in with, or without your Mother, to make a beautiful Fused Glass Pendant.

1 pendant -\$15.00 2 pendants -\$25.00 3 or more pendants-\$10.00 each

We provide the glass and instructions and 1 firing. Just choose your glass and assemble it, we'll fire it. Bails are available for purchase and will be attached for free.

New Glass Medallions are ready to be made the focal point of your next panel or sun-catcher. There are 5 silk printed designs, 2 we have framed as they are and these that are shown. We also have 5, cast medallions made of beautiful iridescent Kokomo glass. Prices vary according to size. Quantities are limited so when they are gone they are gone.

New Glass Cutters

Three new glass cutters have been added to our line of tools. Silberschnitt is a German made glass cutter and is well known for their quality. The Circle Cutter will cut up to 17 inch circles and their straight oil cutters come in either acrylic or brass handles. Bottle cutters are making a come back. Ephrem's Deluxe Bottle cutter makes re-purposing bottles easy. Come in and let me show you how it's done.

New Metal-working Products

We are expanding our inventory to include some Metalsmith products. The BigKick is a mill that embosses designs in metal charms. Watch for classes using the BigKick and Alcohol Inks coming in May. It's a quick class for any skill level.

Bulleye Glass, 90 COE, Close Out

We have got to make room for new inventory and products. Sheets of regular rolled glass, thin sheets, frits, stringers, even dichroic all must go. **Save 30%** on any in stock 90 COE product. Come in and Save.

New Class Schedule Coming soon.

I'm in the process of putting together a new class schedule. There will be some fun fused glass projects as well as stained glass projects that uses scrap glass. New to the class list will be more wire and metal jewelry classes. If you have a class you would like to see, now is the time to e mail me at Kathi@glassicarts.net

Thank you for taking the time to read our newsletter. Just like you we get so caught up in life, we forget to do something special for our-selves. Art Glass is great way to express the creative side of our brain, not to mention a wonderful stress reliever. There is still time to make a very personal glass gift for your Mother or graduating student. Come in or email us and we'll get you started. Watch for our New Class Schedule to be released in the next few days. Take Care and Break Some Glass,
Kathi Truba
